On 1 April 2013, the Croydon Community Infrastructure Levy (CIL) came into force. CIL is a charge which local authorities can levy on most types of new development.

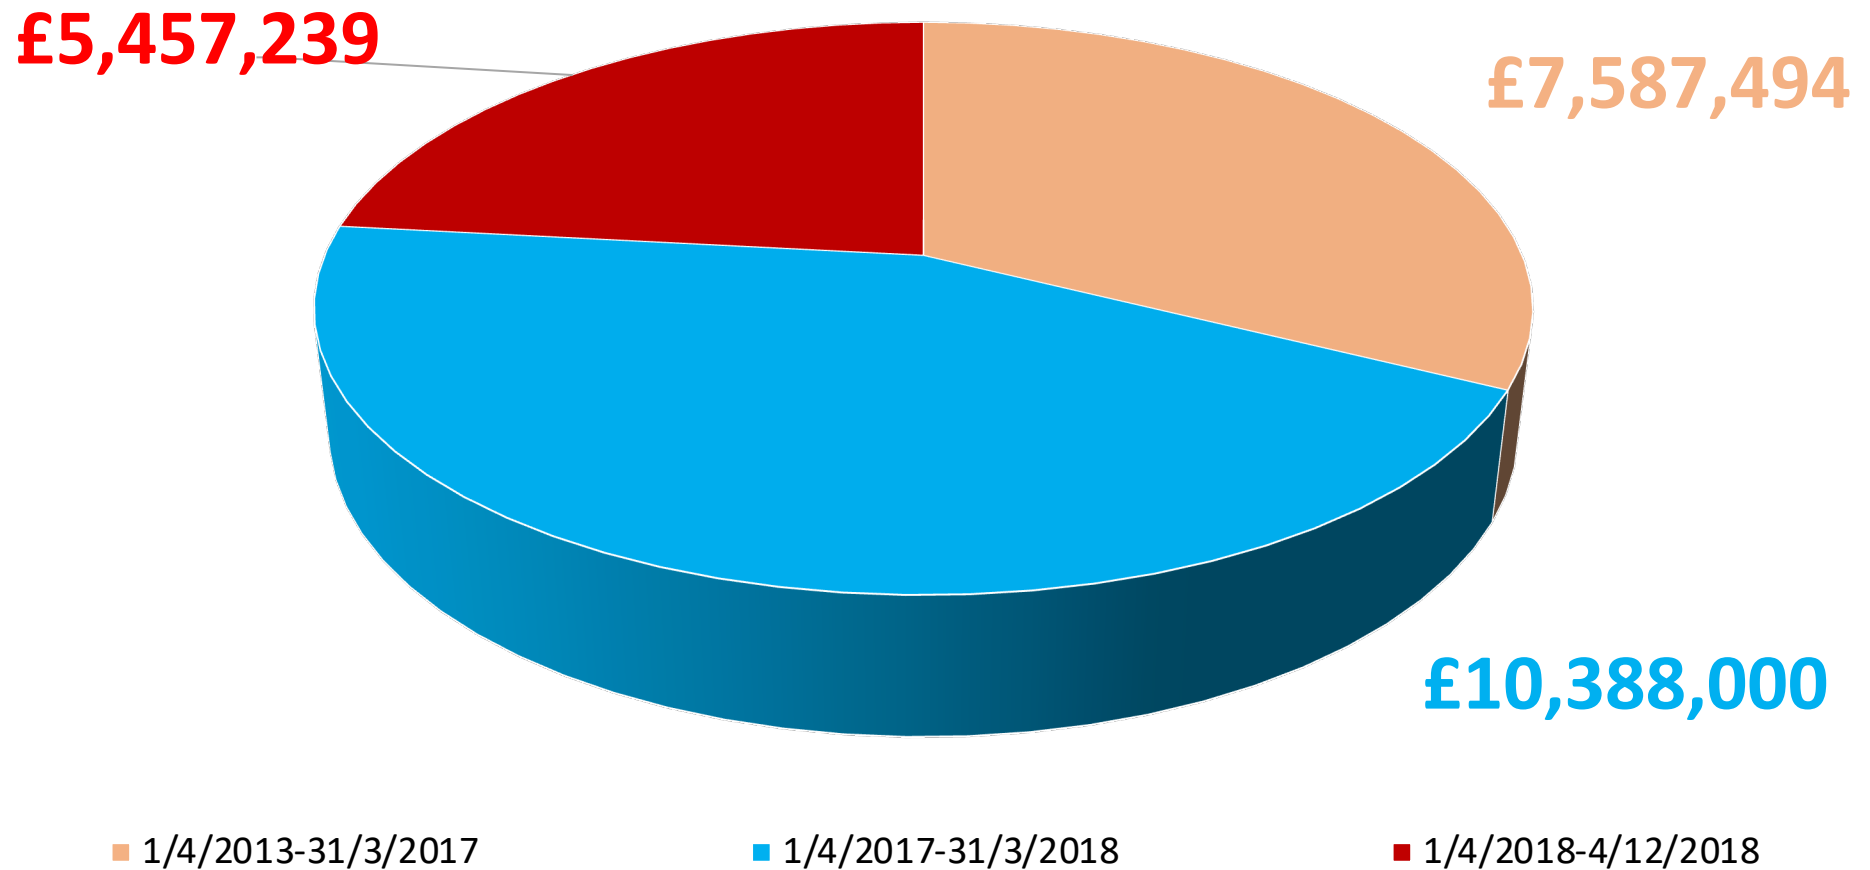

**£23,432,585** has been collected from inception to 4/12/2018.

Of the total collected **76%** was from inception to 31/3/2018 totalling **£17,975,346**

Of the total collected **44%** was from 1/4/2017 to 31/3/2018 totalling **£10,389,000**

It is interesting to note that **23%** of the total collected was between 1/4/2018 and 4/12/2018, **£5,457,239**
